As part of our service you can receive automated text messages regarding new activity from other users who are in the same project as you! These alerts are intended to save you time, and allow you to respond to new activity as quickly as possible.

Examples of text alerts from Lenderfit:

- Hey Lena, [participant name] has commented on [item name]. Tap here to review it. [link]
- [participant name] has uploaded a new file for [item name]. Tap here to view it. [link]
- [item name] has been marked complete! No need to reply.

Message frequency varies. Message and data rates may apply. If you have any questions about your text plan or data plan, it is best to contact your wireless provider.
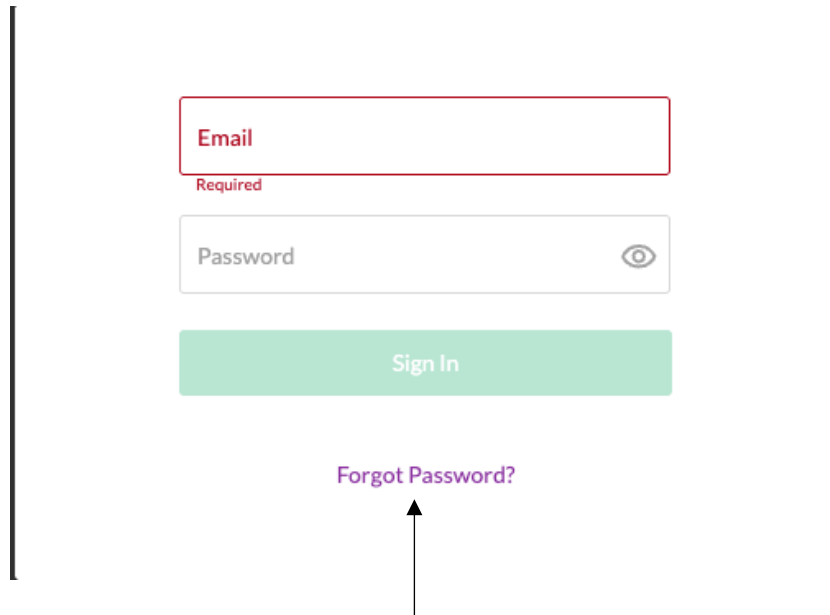

By providing your phone number, and selecting the option above, you agree to receive text messages from Lenderfit. The individual being represented in a new activity message will be another user from an active project that you are participating in. Project participant names are always visible in your projects to compare with txt alerts.

You may opt-out of receiving SMS alerts from Lenderfit at any time in your personal account settings. Use this link to login, or the login button at lenderfit.io. First, access your personal account settings by clicking or tapping on your name in the left side navigation menu. Next, click or tap on "Account Settings." Finally, update your SMS selections and click or tap Save to save them.
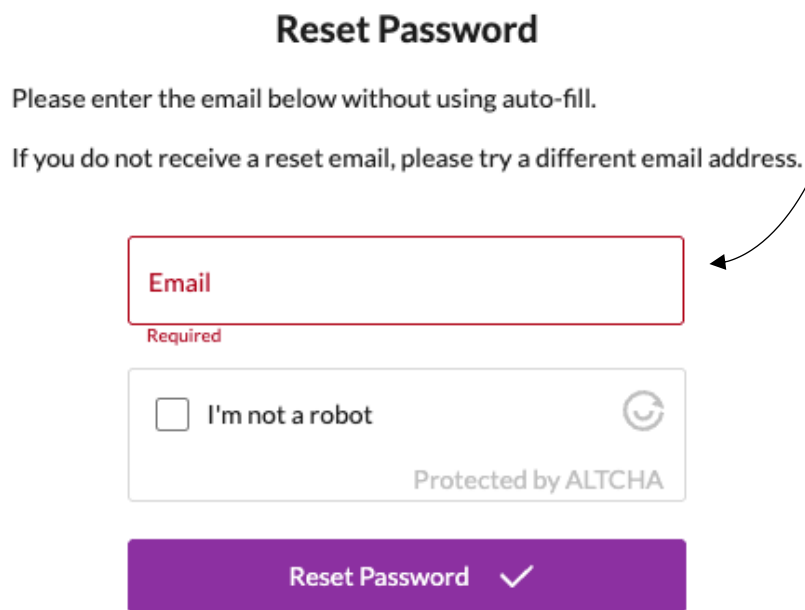

Mobile Terms of Service

If you do not have a cell phone, you may exit this page and go directly to **https://app.lenderfit.io/**. From there, log in using the email address and password you just created.

3. Returning clients who select "I already have an account" will be directed to the login page, where they can enter their email address and password to continue.

4. If you have forgotten your password, select "Forgot Password" on the login page and enter your email address.

You will receive an email titled "Password Reset Request" from Lenderfit Notifications (no-reply@lenderfit.io). Follow the instructions in the email by clicking the Reset Password button or copying and pasting the provided link into your web browser.
